Section IV: Terms of reference

1. Background of MSME in Madhya Pradesh
   Micro, Small & Medium Enterprises (MSME) is known to be the engine of economic growth and for promoting equitable development. To strengthen this Department of Micro, Small & Medium Enterprises (MSME) was formed on 5 April 2016. It was set up to transform the MSME scenario of the state. DTIC's of Department of MSME, GoMP (Government of Madhya Pradesh) plays a pivotal role in enhancing the state’s competitiveness. The DTIC through this RFP aims to determine the interest of potential stake holder for developing an undeveloped land for MSME cluster at Neemuch.

2. Land Rules in Madhya Pradesh
   New land rules have been notified by Department of MSME, Government of Madhya Pradesh. These rules are known as मध्य प्रदेश एमएसएमई को औद्योगिक भूमि तथा मंदिर आवंटन एवं बंधन नियम, 2021.

3. Scope of Work of the Assignment
   The scope of work for applicant is provided below:
   a) If the applicant is not a SPV, in such case applicant must first register a SPV as per the proposed structure in the application, before submitting the RFP whenever RFP is open.
   b) The SPV after taking all the licenses and permission and following the approved layout must develop the identified undeveloped land. Proposed land development shall include all basic amenities such as:
   c) Development of approach roads of the unit and the land/cluster.
   d) Laying of electricity supply lines for power connections of the unit and land/cluster.
   e) Laying of water supply lines within the unit and land/cluster.
   f) Setting up effective sewage and drainage disposal system and land/cluster.
   g) SPV shall complete all the infra development within a period of two years from the permission date.
   h) SPV shall maintain the land after development as per the ‘मध्य प्रदेश एमएसएमई को औद्योगिक भूमि तथा मंदिर आवंटन एवं बंधन नियम, 2021’.
   i) SPV can allot land only to its members for establishment of units after the completion of the development.
   j) The developer must follow below standards for developing the land for Industrial Cluster:
   - Roads:
     • Design of all roads must follow the Indian Roads Congress Standards.
     • Subject to availability of land, main arterial road (connecting the cluster with the external road) should not be less than two lanes if the cluster area is less than 100 acres. Otherwise, if cluster area is more than 100 acres, it should be of minimum 4 lanes. The width of each lane would not be less than 3.75 meters carriage way.
     • Width of the internal roads shall be governed by the approved layout plan. However, all carriage ways must have rigid pavement with the provision of covered drainage and adequate rainwater harvesting.
   - Drains:
     • R.C. C drains 60X80 cm & 80X100 cm with R.C. C. M-20 with 15 cm thick wall.
     • Sewage facility shall be built as per standard norm
   - Electrification:
     • Design of the electric substations must be approved by the competent authority.
     • Light poles and street light network shall be installed as per standard norm
• All internal electrical network design/installation shall be as per the approved plan by the Chartered Electrical Engineer.
• Green Area: Provision for parks with plantation.

Quality Standard:
• Test report should be kept for every 500-meter road by NABL certified lab.
• All electricity equipment shall be conforming to relevant standard as per BIS and shall carry ISI mark.

Every conductor installed needs to have additional buffer capacity of 15 percent on the top of estimated load capacity.

4. Scheme for arrangement of Funds
   The bidder must outline scheme for the financial arrangement with necessary documents for showcasing his financial strength to be able to execute the project.
